How does it work?

It's easy!

1. Take this paper and fill in the items you'd like on your wish list in the spaces below.
2. Put your name on the front, and when you bring it in talk to a staff member.
3. We'll enter your wishlist into our digital customer database.
4. When a family member or friend comes in and speaks to us, we'll point them to a gift on your list.
5. When someone buys something on your list, we take it off to make sure you don't get the same thing twice!
